Drums and Organ out

C F9
Ilsa was an acrobat who went and fell in love with that
Am G C
Horatio the human cannonball.
C F9
A weddin' 'neath the big top tent with barkers clowns
and elephants
Am G C
Sideshow family oddities and all.
F9 Am G
The dog-faced boy howled out with joy
Dm C G/B
As the tattooed lady was crying.
C F/C
Ever since the beginning to keep the world spinning
C Csus4 C
It takes all kinds of kinds.

Full Band Kick In

C F9
Thomas was a congressman with closets full of
skeletons

Am G C
And dresses that he wore on Friday nights.

C F9
Phyllis was a pharmacist, a dab of that, a pinch of
this

Am G C
Concocted to suppress her appetite.

F9 Am G
When the children were fiddlin' she'd slip 'em some
Ritalin

Dm C G
And wait for Thomasina to arrive.

C Am F9
Ever since the beginning to keep the world spinning

C G Am F9
It takes all kinds of kinds. (All kinds of kinds)

C G
All kinds of

SOLO:

kinds.

C // // // F9 // C // C // G // C // // //

Band Out

C F9
When I play this old guitar from children's shows to
smoky bars

Am G C
I take a break and think about the past.

Bass C F9
When I stood up in geometry and everybody stared at me

Am G C
And I tossed my test into the trash.

F9 Am G
I scratched off my number while hitching out under

Dm C G/B G
That bush league population sign.

C Am F9
Ever since the beginning to keep the world spinning

C G C
It takes all kinds of kinds.

F9 Am G
Now some point a finger and let ignorance linger

Dm C G G/F G/E G/D
If they'd look in the mirror they'd find.

C Am F9
Ever since the beginning to keep the world spinning

C G Am F9
It takes all kinds of kinds. (All kinds of kinds)

C G Am F9
It takes all kinds of kinds. (All kinds of kinds)

C G C Hold 2 3 4 5 6
All kinds of kinds.
