

The Zombie Song

Em / Am / B / C / Em / Am / B / C /

Em Am
Our love story could be kinda gory
B C Em
Far from boring. We'd meet at a post
Am B ///
apocalypse.

Em
I'd be slowly walking
Am B
In a group stalking you.
C Em
You'd be the only man alive
Am B ///
That I could not resist.

C
All of your friends, they'd try to kill us
B
But only because, they were jealous
C B
That our love is deeper than Edward and Bella's

Em Am B C
If I were a zombie, I'd never eat your brain
Em Am
I'd just want your heart

Yeah I'd want your heart

I'd just want your heart, Yeah, Oh

If I were a zombie, I'd never eat your brain

I'd just want your heart

Yeah I'd want your heart

I'd just want your heart, cause I want ya

Em / Am / B ///

You'd be hiding in a second floor apartment

knocking all the stairs down Trying to save your life

From the undead

Double barreled shotgun taking out the slow ones

Then you'd see the passion burning in my eye

And I'd keep my head

C

All of your friends, they'd try to kill us

B

But only because, they were jealous

C

That our love is deeper than Edward and Bella's

And I'd try, not to bite and infect you

Em

B

Because, I'd respect you too much

Yeah that's why I'd wait until we got married

Am Em

Oh, and our happiest days would be spent

Picking off all of your friends, and they'd see

A love this deep won't stay buried

If I were a zombie, I'd never eat your brain

I'd just want your heart

Yeah I'd want your heart

I'd just want your heart, Yeah, Oh

If I were a zombie, I'd never eat your brain

I'd just want your heart

Yeah I'd want your heart

I'd just want your heart, cause I want ya
